

Permission to take a chick home

Read through the following information if you would like to take a chick home. You and your guardians must agree to the following conditions and return this form signed by Thursday May 11, 2017.

The following student is going to take one or more chicks home on Friday May 12, 2017.

- We, as a family, assume full responsibility of the chick(s).
- We understand it is beyond Payton's capability to identify male and female chicks and we take our chances on the sex of the chick(s) we take home.
- We also understand that viability of the chick(s) beyond May 12, 2017 is not guaranteed and we will take our chances on the lifetime of the chick(s).
- We take all responsibility for food and shelter of the chick(s) after 2:20 on May 12, 2017.
- We take all responsibility for allergies and/or diseases that may be caused by chick(s) and their interactions with humans.
- The student listed below must bring in a container to take the chick(s) home in.
- The chick must be picked up at 2:20 pm on May 12, 2017 from room 322. You cannot be late in picking up the chick as the chicks are leaving Payton at 2:35pm on May 12, 2017.
